## Book Synopsis

A *New York Times* bestseller

***One of Us Is Lying* is the story of what happens when five strangers walk into detention and only four walk out alive. Everyone is a suspect, and everyone has something to hide.**

Pay close attention and you might solve this.

On Monday afternoon, five students at Bayview High walk into detention.

Bronwyn, *the brain*, is Yale-bound and never breaks a rule.

Addy, *the beauty*, is the picture-perfect homecoming princess.

Nate, *the criminal*, is already on probation for dealing.
